Ref: G.O. No. Ms. 707, Development, Dated
20-2-45.

Sanction was accorded in the G.O. cited
for the construction of additional accommodation
in the Kollegal Silk Filature at a cost not
exceeding Rs. 13,630/-. The construction of the
new office building is nearing completion.

Meanwhile, the Manager, Kollegal Silk Filature
has submitted an estimate (copy enclosed) for the
electrification of the building at a cost of
Rs. 350/-. As the electrification proposed, is
quite necessary, I request that Government may
be pleased to sanction the expenditure at an
early date.

No. 1711 D/44

dated 19th March 1946.

Sir,

Sub: Industries - Sericulture - Kollegal Silk
Filature, Kollegal- Construction of Office build-
ing and Conversion of existing office and sto-
res block into Cocoon godown - electrification of
new Office building.

Ref: Government Memo No. 79297 D/45-4 Development
dated 12-2-1946.

As the other buildings of the filature are all electrified, it
is desirable that the new office building also is electrified. After the
proposed amalgamation of the two filatures, the buildings may be used to
accommodate the office of the Sericultural Expert till such time as his
new office building is constructed. There is also a proposal to utilise
the buildings of the Kollegal Silk Filature for the Silk Weaving factory
proposed to be established at Kollegal.

I request therefore that Government may be pleased to sanction
the expenditure for the electrification of the new office buildings.
